

Brown Marmorated Stink Bug – Season 2020/21 (USA to Australia)

The Australian Department of Agriculture and Water Resources (DAWR) has introduced seasonal import measures to manage the risk of Brown marmorated stink bug (BMSB) during the high-risk season from September 1, 2020 until ATA Australia May 31, 2021

All target high risk goods manufactured in or shipped from the target risk countries as sea cargo during the risk season must be treated (fumigated) by an approved treatment provider.

Full details of the DAWR requirements can be found at:

<http://www.agriculture.gov.au/import/before/pests/brown-marmorated-stink-bugs>

In order to comply with the Australian BMSB regulations, all LCL Export bookings for destination Australia or traveling via Australia will be placed on hold until we receive the following completed and signed declaration.

DECLARATION

AWA Booking Number: S00236223

HS Code: 9019200000

In order to comply with the above listed regulations by DAWR, I hereby declare (select one):

- ☒ The shipment listed above **Must not** be fumigated as it can be harmful to the product and is not subject to BMSB measures.
- ☐ The shipment listed above does not require fumigation but may be combined within a container being fumigated.
- ☐ The shipment listed above **requires fumigation**. I understand that such treatment may cause loss and/or damage to some commodities. Therefore, I agree to hold AWA harmless and fully indemnified against any claims of loss and/or damage to the cargo that may result from treatment (fumigation) of this shipment.

All shipments high-risk or non-risk are subject to fumigation fee. All LCL shipments non-high risk, \$25 LS Admin Fee will apply. FCL shipments \$25 +10 per container Admin Fee

Herewith I accept and approve the fumigation fee of \$35 w/m (per cbm or 1 ton) – minimum \$105 per shipment, \$25 LS Admin fee.
